OBJECTIVE

Artificial Intelligence and Data Science Graduate passionate about software development, artificial intelligence, and emerging technologies. Seeking an entry-level Software Engineer or AI Developer role where I can apply my technical skills, contribute to innovative projects, and continuously grow as a technology professional.

TECHNICAL SKILLS

Java | HTML | Power Bi | Excel | GitHub

EDUCATIONS

- Kongunadu College of Engineering and Technology , Tiruchirappalli
  B.Tech (AI & DS)2024 – 2027 | **CGPA: 7.80** (Up to VI Semester)
- Kongunadu Polytechnic College 2021 - 2024 DME - **91%**
- Sowdambika Matriculation Hr.Sec School, T.Pet |2020-2021 SSLC

PROJECTS

AI-POWERED MEMORY RECONSTRUCTION FOR ALZHEIMER'S PATIENTS

- Developed an AI-powered memory reconstruction system for Alzheimer's patients using facial recognition, voice inputs, machine learning, and NLP techniques to support memory recall

AUTOMATIC ASSIGNMENTS GRADING SYSTEM

- Automatic Assignment Grading System: Built a Java application integrated with Supabase to automate assignment grading, enforce due-date-based mark deductions for late submissions, and generate student

INTERNSHIPS

- Completed an internship at Infoem Software Solutions in Machine Learning and Computer Vision, gaining hands-on experience in image processing and AI concepts.

CERTIFICATIONS /PARTICIPATIONS

- **Value Added Courses**: Learned machine learning algorithms and AI techniques for real-world applications,and object-oriented programming concepts along with core Java fundamentals.
- **IoT and Cloud Computing (NPTEL):** Completed the "Internet of Things" and "Cloud Computing" courses by NPTEL, gaining knowledge of IoT concepts, cloud computing fundamentals, and their applications.
- Participated in hackathons at KPR, IIT Madras, VIT Chennai and new prince Shri Bhavani College; attended 4+ technical webinars; presented a paper on *Neuralink* at Sri Ramakrishna College; participated in the *Idea Spark* event at Annapoorana College.
- **JLPT N5** (Japanese Language Proficiency Test)
